Join us at the 2018 Florida Parishes Forestry Forum

Learn about local and national trends, emerging markets, options for your timbered land and how to stay abreast on invasive species such as the southern pine beetle.

If you are a landowner, consultant, or work in the forest industry in and around the Florida Parishes area, you do not want to miss this educational forum.

Meet and network with others in the industry and take home a wealth of knowledge to help diversify your forest portfolio!

The University Center is at 800 West University Ave in Hammond. It is easily accessible from I-55, north of I-12. Use exit 32 for University Ave. Go on through the Highway 51 intersection and the Center will be on your left.

*SAF CFE hours have been applied for.

**This program is worth 6 hours LFA CLE credit for loggers who are currently behind for this year's credits.
